

2017 AWT RoboBot Program School Commitment Sheet

School : _____

As a school with a participating team in the 2017 AWT RoboBot competition, we understand that we - specifically, our designated teacher/advisor/coach - will be expected to:

- Attend the first meeting and all work days at the facility of our company sponsor (unless other arrangements are made with the company sponsor).
- Identify and select students to participate on our team.
- Distribute, collect and submit to AWT all required waivers and commitment forms.
- Ensure our students and any participating adults from our school follow all safety requirements as instructed by AWT RoboBot committee members, AWT members or company sponsors.
- Serve as the liaison between the students and our company sponsor through constant communication.
- Ensure all team members are respectful and responsible; they will attend scheduled work sessions and follow all rules or guidelines set forth by our company sponsor.
- Remain engaged in the process.
- Oversee the compilation of our team's documentation submission and work with the students and company sponsor to design our team shirt.
- Attend the competition on April 29^h, 2017 at Lakeland Community College with my team.

We have read the above expectations and our signature reflects our school's commitment to participate in the 2017 Robots competition in collaboration with a company sponsor/partner to facilitate the design, construction, and completion of our school's RoboBot to the best of my ability.

Signature of Authorized School Representative
