

## OHIO SENATE

### HONORING THE ALLIANCE FOR WORKING TOGETHER FOUNDATION ON THE LAUNCH OF NEXTWORK

On behalf of the members of the Senate of the 132nd General Assembly of Ohio, we are proud to extend special recognition to the Alliance for Working Together Foundation as it celebrates the official launch of Nextwork, December 7, 2017.

The Alliance for Working Together Foundation has received acclaim from the community for its new program, Nextwork, which will not only open doors for the youth of Lake and Geauga counties but will also help them become responsible, successful citizens. This admirable organization has enthusiastically partnered with local public school districts, the Manufacturing Advocacy Growth Network, the Geauga Growth Partnership, and Lakeland Community College in an effort to improve career and workforce development and sustain the area's economic prosperity. All those associated with this collaboration are deserving of high praise, for they have combined civic concern and selfless initiative to better the world around them.

The noteworthy accomplishments of all those associated with the Alliance for Working Together Foundation clearly show the potential of each person to have a positive effect on the quality of life in our society. Nextwork has ensured that the next generation of manufacturers has access to programs and mentors that will challenge them to achieve in school and develop a strong moral compass that will enhance Lake and Geauga counties in the years to come. We applaud the dedication of AWT and the exemplary impact it has made on the State of Ohio and on the young leaders of tomorrow.

Thus, it is with great satisfaction that we salute the Alliance for Working Together Foundation on the launch of Nextwork and look with optimism to its success.

Senator Larry Obhof  
President of the Ohio Senate

Senator John Eklund  
18th Senatorial District
