Truline would like to celebrate the innovation, creativity and dedication of all the participants of RoboBots. Your creations are the success of this program and we are proud of all of you. Thank you AWT for providing a platform that facilitates teamwork and comeraderie and promotes manufacturing.

We will, through development of relationships that value our employees and their families, our customers, our suppliers and local community, present the Gospel message and Christ-like character for the purpose of salvation and discipleship. We firmly believe that these principles will foster excellence and integrity in our company, making us a world leader in our field.

Mariner Construction LLC.

Ordnance Technology Service, Inc.

Norman Noble, Inc.

Microprecision Medtech Manufacturing

**Located in Highland Heights,
Norman Noble manufactures
medical devices and implants.**

**We are a family-owned,
privately held company that
has been in business for more
than 75 years!**

Norman Noble is a dynamic, growing organization. We're proud of our history and our success. Here, hundreds of talented individuals work together as a team to deliver exceptional results to our customers.

We're Hiring!

Take the first step to a full-time, stable career!

- **Must be at least 18 years old, able to work 2nd or 3rd shift.**
- **No prior experience needed. Training provided.**
- **Good hand-eye coordination and vision needed.**
- **Must willing/able to learn specific Work Instructions.**
- **Must be able to work full time, with good attendance for maximum pay opportunity.**

We offer an outstanding pay and benefits package and the opportunity to work with a small, friendly, knowledgeable team.

[Submit your resume to nnoble.com/careers](https://www.normannoble.com/careers)

YOU CAN HAVE A CAREER IN MANUFACTURING TODAY!

NO COST AND EASE OF ENTRY!

Three Weeks Will Jumpstart Your Career in Manufacturing.

What: A three-week-long training program that will jump-start your journey to a rewarding career in manufacturing by earning sought-after certifications and skills.

When: There are several different date/timing options to fit all schedules. Check our website for more details.

May 8th - May 25th	June 26th - July 14th	Aug. 21st - Sept. 8th
8 am to 12 pm	8 am to 12 pm	8 am to 12 pm
1 pm to 5 pm	1 pm to 5 pm	1 pm to 5 pm

*There are remote options available if you have your own computer

Where: The Alliance for Working Together's Transformation Training Center
8980 Tyler Blvd., Mentor, OH 44060

Benefits: During the three-week session, participants will earn their ToolingU Certified Manufacturing Associate and OSHA10 Safety Certification. Participants will also receive expert guidance on resume building and interview preparation throughout training. Upon completion of the session, participants will be matched up with at least two local companies for an interview.

Cost: The program is no cost to participants! AWT is also able to provide additional services and financial assistance through local community organizations for an entire year following participation in the program.

A career in manufacturing is...

- ✓ Pay you can support a family on
- ✓ High-Demand Industry that is here to stay
- ✓ Predictable hours you can plan around
- ✓ Raises and promotions for those who want to learn new skills and grow
- ✓ A innovative, high-tech, safe, and rewarding environment.
- ✓ No experience necessary
