INSTRUCTIONS TO MAKE A CATAPULT

Materials:

- Spoon
- 4 rubber bands
- Marshmallow
- 10 popsicle sticks

Instructions

1. Stack 8 popsicle sticks on top of each other.
2. Wrap a rubber band around each side.
3. Stack the spoon on top of another popsicle stick.
   Optional: use the tenth popsicle stick for extra support under the spoon.
4. Wrap a rubber band around the bottom of the spoon and popsicle stick.
5. Slide the attached popsicle stick into the popsicle stick stack.
6. Use the fourth rubber band to secure the spoon and bottom popsicle stick to the popsicle stick stack.
7. Have fun with your catapult!
